

# Playgrounds and fire places

## Fireplaces

A cozy BBQ with family and friends in the incredible mountain landscape of Arosa – there is hardly anything more beautiful! There is a big choice of fire places with wood, grill and partly even tables and benches.

Our fire places are marked with this sign on the map:

Please note:

- Leave only foot prints and don't take anything with you as a souvenir
- Burn only as much wood as necessary
- When leaving, please make sure everything is in its order, the grill is clean and the fire is completely dead

We wish you a great BBQ and thank you for your diligence!

## Playgrounds

Versatile and creative playgrounds for the whole family in and around Arosa invite to burn off energy, grill and relax. The playgrounds can be found here:

## Pumptrack

On the pumptrack next to the playground Ochsenbühl, you will find an endless source of bike-fun!

Will thrill your senses.
